### Notice to Members re National Sporting Organisation Status

Ice Skating Australia (ISA) has been working diligently with the support of the Australian Sports Commission (ASC) to restore our status as a National Sporting Organisation (NSO).

In February, the ISA Member delegates approved the change of structure to a company limited by guarantee. On Monday, 16<sup>th</sup> September, the ISA Member delegates voted to accept the new Constitution. Ice Skating Australia is now operating under the Constitution for Ice Skating Australia Limited.

Next steps are:

- Registering the Constitution with Australian Securities and Investments Commission (ASIC) and receiving an Australian Company Number (ACN)
- Providing the Constitution with its ACN to ASC
- Receiving our NSO status

ISA will continue to operate as usual.

#### Retired Board Members

At the adoption of this Constitution two of our current Board Members became ineligible to continue on the ISA Board.

#### Peter Lynch

Peter Lynch has served as both Treasurer and President over his 14 years on the ISA Board. He has always been a champion of giving skaters opportunities to skate. His knowledge and input to the Board will be missed.

#### John Dunn

John Dunn brought a new aspect and ideas to the ISA Board, and in his short tenure, performed his role diligently.

We thank both Peter Lynch and John Dunn for their service.

President  
Ice Skating Australia
