CHANGES TO SMOKING LAWS AFFECTING ICE SKATING QUEENSLAND AND ICEWORLD™ OLYMPIC ICE RINKS

From 1 September 2016, in Queensland, smoking laws have changed, smoking is banned at sporting grounds (WHICH INCLUDES ICE SKATING VENUES), during an organised sporting event or training session that is predominantly for under 18 year olds. The ban also applies during any intervals or breaks in play.

The coverage of the ban includes the sporting ground or playing area, the viewing area for a water sport, public seating at the grounds and any other area reserved for use by the competitors and the officials. This also includes a 10 metre non-smoking buffer zone from all of these locations.

An organised sporting event is one that is arranged in advance and is conducted by a professional or amateur sporting body or education institution according to established rules.

The smoking ban includes the use of all smoking products, including regular cigarettes and electronic cigarettes.

ISQ POLICY

In order to comply with these changes to the law, Ice Skating Queensland has affirmed that smoking is banned at all of its Ice Rinks and associated properties, including in motor vehicles and any areas that may previously have been designated as Smoking areas.

The ban extends to any venue where Ice Skating Queensland or its affiliates has organized an event for members under 18 years of age.

Ice Skating Queensland supports the Queensland Government initiatives to improve the health of both our adults and young people and will offer support to its members and staff to quit smoking.

Effectively there is NO SMOKING anywhere on rink premises including in private motor vehicles.

Ice Skating Queensland requires that all affected people comply with this policy and will take appropriate action to enforce the policy.
